Reference: Government Memorandum No.783-5 M dated the 1st May 1941.

The Council in its resolution No.50, dated the 2nd June 1941 has resolved to request Government to reconsider their above order and to permit diversion of the amount from the Town Planning Funds of at least Rs.1,200 towards the acquisition of land required for the road, as the same is included in the Town Planning scheme area and is now lying vacant, the owners being prohibited from making any improvements or leasing it out. The owners have further intimated the council that they would claim compensation if the lands are not acquired and the gift of the lands towards road purposes worth Rs.500/- will be withdrawn if the lands adjoining are not acquired early. Government may therefore be pleased to accord sanction for meeting the cost from the Town Planning Funds The cost of acquisition may not exceed Rs.1,200/- It will also take long for the scheme to be approved as it is returned to the council for fresh publication.

A copy of the resolution of the council No.50

dated tne 2nd June 1941 is enclosed. I request early orders.
